Litia
tech

Cell Solution® Skincare fibres are natural cellulosic manmade fibres with added paraffin and integrated Vitamin E

HIGH QUALITY

- Through release of Vitamin E, the natural regeneration of the skin is supported
- Permanent washing stability
- Natural cellulosic fibre

FUNCTIONALITY

- Textiles with Cell Solution® Skincare fibres are Lyocell fibres with integrated natural oils and Vitamin E.
- Vitamin E is well capable of penetrating and being absorbed through the skin.
- By embedding a Vitamin E depot into the matrix structure of Cell Solution® Skincare, the release of Vitamin E turns into a lifelong effect.
- Detoxification of free radicals by Vitamin E
 - Anti-inflammatory
 - Repair and regeneration of human skin
 - Regulation of human skin's moisture balance by a longlasting Vitamin E release

Cell Solution®
